

Table Captain's

Guest List & Entrée Selections

Entrée selections must be submitted by Oct. 15th to guarantee guests receive their choice. Please note that even though the web ordering page only asks for totals for each entrée, we need to know the specific entrée for every guest so that guests are properly served at dinner.

If address, phone, and email are provided in advance, guests will be able to go directly to Express Pay and bypass registration lines at check-in on the night of the event.

Please list Table Captain as the 1st guest.
