

Help Us Create ... **Social Events!**

Those “can’t pass this up”
kind of events!

Here’s what we’re looking for:

Who’s invited?

Men, women, couples, or maybe a kids’ event.

What’s the concept?

Poker party for men? Spa party for the ladies? Cocktail party with dancing for couples? Clown party for kids? Maybe a celeb attends as special guest?

Where’s the location?

Someone’s incredible home, maybe by the pool? A business establishment with a private room?

How is it auctioned?

Auctioneer will sell it “by the head.” Anyone who wants to attend pays the “per head” price.

These events are big money raisers!
